Education

Georgia State University | Atlanta, GA   December 2022

Bachelor of Science in Computer Science, Major GPA: 3.6/4.0

Related Coursework: Data structures, Operating Systems, Mobile app development, Software engineering, Web programing, Computer Networks, Programing Languages, Object-Oriented Programming, Algorithm Design & Analysis

Skills

Languages- Java, Python, JavaScript, MySQL, SQLite, PHP, HTML, CSS

Tools: Git, Bash, Visual Studio Code, Android App Studio, XCode

Experience

Healthsource Agency | Stockbridge, GA   *May 2019 – August 2022*

IT Technician

- Implemented applications, tools, and automation to fully digitalize employee time sheets and nursing notes and become 100% paperless.
- Used AxisCare to manage billing integrations, scheduling, and client information. This helped reduce paper use and store information in a database.
- Installed, organized, tested, maintained, and troubleshot user's workstations and interrelated software and hardware.

Mathematics/CS Tutor   *October 2020 – May 2022*

- Mentored over 50 high school and undergraduate students online and in-person in mathematics and computer science and improved their grades by 16% on average.

Projects

Social Media Site   *July 2022*

Python/Django, HTML/CSS, SQLite, JavaScript

- Developed and designed a responsive website that provides users with their Spotify usage data.
- Uses Spotify's Python API spotipy to receive user data. Used Google Sheets API to insert the data into sheets.

Portfolio Website   *March 2022*

HTML/CSS, JavaScript, PHP

- Developed a personal portfolio website with a blog. This project used Django, Python, HTML, CSS, JavaScript, and bootstrap framework.
- Created a dynamic contact page using Django.

Mental Health App   *September 2022*

Java, Android Studio, Firebase

- Designed daily quotes push notification system using the type fit API.
- Integrated Firebase email authentication, anonymous authentication, cloud Firestore for storage. Provided the ability to create, update, and delete notes and display Firebase data in recycler view.

Volunteer Experience

AMAZING GRACE CHURCH FOOD AND CLOTHING DRIVE   *October 2012 – Present*

- Leader of the monthly food and clothes drive, which serves the metro Atlanta area. Provided food and clothes to thousands of citizens throughout the last ten years.

Activities and Honors

- President List (Summer 2018, Summer 2019) Dean's List (Fall 2018, Spring 2020, Spring 2022)
- Georgia State University Honor's College / Hope Scholarship
- Member, Cybersecurity Club, and African Students Association
